ABOUT THIS MANUAL

This manual provides instructions for qualifying for the Enterprise Zones Job Creation Grant. It has been compiled for the applicant (the business firm) and addresses the applicant's responsibilities in completing the application materials.

Specific icons have been used throughout the manual to provide user-friendly instructions. Frequently asked questions have been included within each grant section and are denoted by a question mark symbol (?) within a text box. Additionally, important definitions, guidelines, and reminders are also emphasized in highlighted text boxes. Snapshots of the actual application forms are included within the manual to provide step-by-step instructions for each component of the application. Details pertaining to required forms have been indicated by the following symbol:  Lastly, for your convenience, key terms have been hyperlinked to their corresponding definitions in the glossary provided at the end of the instruction manual. Please note that the terms included in the glossary are defined by statute and regulation and must be followed.

A qualified representative of the business firm is expected to complete all the required application components. An independent Certified Public Accountant (CPA), licensed in Virginia, must attest to the application materials. For specific information on CPA eligibility, see the text box on page 21.

The Job Creation Grant instruction manual is organized as follows:

- An overview of the grant amount and eligibility criteria
- General limitations
- Preliminary information for applicants to gather
- Step-by-step instructions for completing the required application and supplemental materials.

NEW THIS YEAR

In 2012 the General Assembly approved a statutory amendment to allow business firms to apply for the Enterprise Zone Job Creation Grant as well as the Major Business Facility Job Tax Credit. However, the code indicates that firms may not apply for the Job Creation Grant for positions used to qualify for the tax credit. Previously, firms were not eligible to apply for both the JCG and the tax credit. This change will be in effect for firms applying for Job Creation Grants for calendar year 2012.

The list of High Unemployment Areas (HUAs) has been updated for Grant Year 2012. The current list of HUA zones can be found on the following page. This list is updated twice a year; once prior to the qualification year and once during the qualification year as updated data becomes available from the Virginia Employment Commission. **Galax and the City of Richmond are now considered HUA zones.** Businesses in these zones may now apply for the \$500/ PFTE Job Creation Grant at the reduced wage rate threshold of \$10.88 per hour (150% of the Federal minimum wage).

The following localities are no longer considered HUA zones; **Covington, Pittsylvania, Pulaski County, Pulaski Town, and Wythe**. Business in these zones that have previously applied for the JCG as HUA applicants may continue to qualify for the \$500 grant at the reduced wage threshold of \$10.88 for the remainder of their 5-year grant period. However, **any new businesses applying for the JCG in these zones must pay a wage rate threshold of at least \$12.69 to be eligible for the grant.**

ADDITIONAL PUBLICATIONS REGARDING GRANT APPLICATION PROCESS

This manual covers the qualification information and submittal process for the Job Creation Grant. A separate manual is available for the Real Property Investment Grant and can be downloaded from <https://dmz1.dhcd.virginia.gov/EZApplication/>.

In addition to the grant manuals, a separate document on the Agreed-Upon Procedures for CPA's compiling the CPA Attestation Report is available for download online from <https://dmz1.dhcd.virginia.gov/EZApplication/>. The CPA Attestation is a statutory requirement and **must accompany** all Job Creation and Real Property Investment Grant application submittals with the exception of firms made exempt by statutory changes to § 59.1-547. Firms exempt from the attestation report are still required to complete the JCG Worksheet.

Local Zone Administrators (LZAs) must sign off on JCG and RPIG applications. Contact information for LZAs is available online at <https://dmz1.dhcd.virginia.gov/EZApplication/>.

ENTERPRISE ZONE GRANT QUALIFICATION PROCESS

Enterprise Zone grants are subject to an annual appropriation by the General Assembly. Job Creation Grants receive funding priority. After fully funding the JCGs, the remaining funds will be allocated to the RPIGs. The amount paid to each RPIG applicant shall be prorated proportionally should grant requests exceed the remaining funds.

SUBMITTAL REQUIREMENTS

Applicants must submit the appropriate grant application form and all required attachments to DHCD by no later than the close of business on April 1st, 2013.

The CPA Attestation Report is required and must be submitted with all other application materials by April 1, 2013. Firms and zone investors are required to submit electronic applications. Firms and zone investors will receive email confirmations to keep the applicant informed throughout the submittal process and to bring any submittal issues to the applicant's attention prior to the applicable deadline.

Online applications must be submitted to DHCD no later than Midnight, April 1, 2013 (EST). Applicants are prompted to print the completed application as part of the online submittal process. **The required signed hard copy and all other supplemental materials must also be submitted by the April 1st deadline.**

Original application materials should be mailed via United States Postal Service certified mail, return receipt requested and postmarked no later than April 1st; shipped via UPS, Fed Ex or another service where shipping can be tracked with a shipped date no later than April 1st; or hand delivered by the close of business on April 1st. Hand delivery is not preferred.

DHCD reviews all applications for completeness. Any application submitted without the required CPA Attestation Report Form or submitted after the April 1st deadline (but before May 15th, 2013) will be considered **late**. Such applications are held until DHCD determines that funds remain. At such time, DHCD will review and process late applications on a first-come, first served basis

Please keep in mind that DHCD is unable to pre-qualify any applicants.

SUBMITTAL OF MULTIPLE APPLICATIONS

If submitting more than one application (for example, a Job Creation Grant and Real Property Investment Grant application), **each grant application and required materials must be sent separately via certified mail, return receipt requested.** Due to the high volume of grant applicants, DHCD cannot guarantee proof of the receipt of each application when multiple applications are submitted together unless a cover letter listing each submittal is included in the package.

ONLINE SUBMITTAL - REQUIRED

Firms and Zone Investors are required to submit electronic applications. If you do not have online access, please contact DHCD immediately. Online applications offer an auto-calculation feature and enable a more efficient processing of applications. The online system is equipped with links that guide applicants through the application and includes reminders and clarification on common mistakes.

Firms and zone investors will receive email confirmations to keep informed throughout the submittal process and to bring any submittal issues to the applicant's attention prior to the applicable deadline. The online applications must be submitted to DHCD by no later than Midnight, EST of April 1st, 2013. Applicants are prompted to print the completed application as part of the online submittal process. The **required signed hard copy and all other supplemental materials must also be submitted by the April 1st deadline.**

All applicants will receive confirmation emails in the following order:

1. Successful submission of the online application

This email will indicate the date and time of the submittal and will also include a reminder to print the application and send in the signed hard copy and all other required materials (including the CPA Attestation Report) by the April 1st deadline. DHCD recommends applicants print and keep a copy of the email with their grant records. If you do not receive this e-mail within 5 business days, contact DHCD immediately.

Due to the increasing volume of applications DHCD receives each year, we recommend that applicants rely on the email confirmation system rather than phone inquiries regarding an application's status. In the case in which an online application or hard copy was submitted and the applicant does not receive an email confirmation within **5 business days**, please contact DHCD regarding the status of the application.

2. Receipt of hard copy of application and other required materials

Once a hard copy of the application and other required materials are received, an email will be sent to the applicant stating the date of receipt. DHCD recommends applicants print and keep a copy of the email with their grant records.

3. Notification of Deficiencies

DHCD will notify applicants by May 15th in cases where additional information is required due to application deficiencies. Once the applicant provides the additional information requested, a final email will be sent to the applicant confirming DHCD's receipt of the requested material.

TAXABILITY OF GRANTS

Under Internal Revenue Service regulations, grant awards may be considered taxable income. A 1099 will be issued to all Enterprise Zone grantees for the grant awards received. For tax related questions, please contact your tax professional for guidance.

If a grant applicant has any type of outstanding liability to the State (such as an outstanding tax liability), the awarded grant amount will be automatically reduced by the dollar amount of the liability. DHCD does not have records of potential liabilities as this process is handled outside

the agency. If you receive a grant award that is less than the amount noted in the **qualification letter**, please call the Department of Accounts at (804) 371-8383.

RECORD KEEPING REQUIREMENTS

The Department may at any time review an applicant's records related to qualification under this section to assure that information provided in the application process is accurate. Qualified zone businesses shall maintain all documentation regarding qualification for Enterprise Zone Job Creation Grants for at least one year after the final year of their five-year grant period.

All JCG grantees are monitored for their first grant year. Job Creation grants that do not have adequate documentation regarding permanent full-time positions, wage rates and provision of health benefits may be subject to repayment.

GENERAL LIMITATIONS

- A firm can receive Job Creation Grants for a maximum of 350 [grant eligible positions](#) per year. Firms with multiple locations in Enterprise Zones can only receive Job Creation Grants for a maximum of 350 positions total.
- Firms may not apply for the Job Creation Grant for positions used to qualify for the Major Business Facility Job Tax Credit.
- Businesses that started qualification for the General Income Tax Credit may initiate qualification for the Job Creation Grants. However, the business firm cannot receive the Tax Credits and Job Creation Grants for the same positions. *Contact DHCD at 804-371-7030 for more information.*

EMPLOYMENT RESTRICTIONS

Job Creation Grants are awarded for the creation of net new permanent full-time positions meeting certain wage and health benefits requirements. Given the normal turnover of employees, it is possible that several employees will fill one permanent full-time position in any one calendar year. This is acceptable as long as it is not “job sharing” where two employees, each working part-time, fill one position.

Employees filling the following positions cannot be included in the calculations of Job Creation Grants:

- Those positions in [retail](#), [personal service](#), or [food and beverage services](#).
- Those positions paying less than 175% of the [Federal minimum wage](#) (\$12.69/hour) or 150% of Federal minimum wage (\$10.88) in HUAs.
- Those positions that are not offered health benefits in which 50% of the employee’s health insurance premium is paid by the business firm.
- A position that previously existed in the Commonwealth.
- Positions created by a business that is simultaneously closing facilities in other areas of the Commonwealth.
- A person that was previously employed in the same job function in Virginia by a [related party](#), or a trade or business under [common control](#). (A person’s job function eliminated at a non-zone location and moved to an Enterprise Zone location).
- A [seasonal](#), temporary, leased, or contract labor position.

Permanent full-time position:

Means a person employed by a business firm, located within an Enterprise Zone, who is normally scheduled to work either a:

- Minimum of 35 hours per week for the entire normal year of the business firm’s operations, which a normal year must consist of at least 48 weeks;
- Minimum of 35 hours per week for a portion of the taxable year in which the employee was initially hired for or transferred to the business firm; or
- Minimum of 1,680 hours per year if the standard fringe benefits are paid by the business firm for the employee.

- An employee of a firm in Virginia who is [transferred](#) from outside a zone location to a zone location.
- An employee whose previous job function qualified for a grant in connection with a different Enterprise Zone location on behalf of the taxpayer, a related job, or a trade or business under common control (cannot claim the same job twice).
- An employee who was employed by an Enterprise Zone firm in Virginia and the trade or business was purchased by another taxpayer who continued its operation (not net new to Virginia).
- A person whose position previously qualified for Enterprise Zone Residency-based Job Grants, Enterprise Zone General Income Tax Credits, or Enterprise Zone Investment Tax Credits.
- A person whose position previously qualified a firm for the Major Business Facility Tax Credit.

JOB CREATION GRANTS: PRELIMINARY INFORMATION

The following steps should be taken by the business firm to assess if they are eligible to apply for the Job Creation Grant.

- Confirm the business location is within Enterprise Zone.
 - Contact the [Local Zone Administrator](#) for verification of zone location.
 - LZA contact information can be found on the following link: <https://dmz1.dhcd.virginia.gov/EZApplication/>.
- Confirm the business and positions are not restricted from applying for grant. *See the [chart of activity numbers](#) for a listing of NAICS codes. Those restricted from applying are highlighted in red.*
 - Restricted positions:
 - Personal Service
 - Food and Beverage
 - Retail
 - Units of Local, State, or Federal Government (Typically have a FEIN beginning with 54600)
- Determine the [base year](#) for which the business firm is claiming an increase in employment.
 - Firms may use either of the two calendar years immediately preceding its first year of grant eligibility as the base year. This allows a business the discretion to select a base year with lower employment to maximize grant benefits.
 - Companies new to Virginia within the past two years will have a base year employment level of zero.

Employment Specifications

The grant amount will be *pro-rated* based on the number of full months of the grant year in which the employee met the wage and health benefits requirement in the following cases in which the grant eligible employee:

- Was employed less than 12 months during the grant year.
- Met the wage and health benefits requirements less than 12 full months
- The employee's wage changes or the federal minimum wage changes during the qualification year

- The base year will remain the same for each year in the firm's five-year grant period. Please see Appendix A for instructions on how to qualify for a subsequent five-year grant period.
- Determine if the business firm has created at least four net new [permanent full-time positions](#) over the established base year.
 - Use the employee's **I-9** to verify the start date of permanent full-time employment for all permanent full-time positions in the base year and grant year and identify which permanent full-time positions are net new after the base year.
- Determine which of the grant eligible positions (i.e. new positions over the four-job threshold) meet the wage and health benefits requirements.
 - Gather **first and last payroll records** for each employee for the base year and grant year.
 - Identify employees with hourly wage rates of at least 175% of federal minimum wage (150% in HUAs).
 - For firms with high employee turnover, each permanent full-time position may be filled by multiple employees during a given grant year.
 - **Health benefits information:** Verify that employees meeting the wage requirements were **offered health insurance coverage**, where the firm pays at least 50% of health insurance premium based on the health benefits agreement signed by the employee.
 - Health insurance **waivers must be collected from** employees filling grant eligible **positions that have declined health benefits**.
- Contact an [independent](#) CPA licensed in the state of Virginia to complete the required [Agreed-Upon Procedures](#) as part of the grant application. The required Agreed-Upon Procedures and CPA Attestation Instruction Manual are available online at the following link: <https://dmz1.dhcd.virginia.gov/EZApplication/>

JOB CREATION GRANT SUBMISSION MATERIALS

Job Creation Grant Submission Materials	
<i>Materials</i>	<i>Submission Deadline</i>
<ul style="list-style-type: none"> ▪ Form EZ-JCG or EZ-JCG-HUA ▪ CPA Attestation Report ▪ W-9 ▪ JCG Worksheet* <p>* Firms are not required to submit the JCG Worksheet but must maintain the worksheet in their records.</p>	<p>All application materials are due to DHCD by close of business on April 1st, 2013.</p> <p>Applicants must send original application materials using one of the following mechanisms: 1) United States Postal Service certified mail, return receipt requested and postmarked no later than April 1st; 2) UPS, Fed Ex or other services where shipping can be tracked with a shipped date no later than April 1st. Hand delivery is accepted but not preferred and must be received by DHCD by the close of business on April 1st.</p>

Step-by-step instructions for completing the JCG worksheet and Form EZ-JCG are included on the following pages. The JCG Worksheet and required application forms are available online at <https://dmz1.dhcd.virginia.gov/EZApplication/>

JCG WORKSHEET: STEP-BY STEP INSTRUCTIONS

Qualified zone businesses shall maintain all documentation regarding qualification for Enterprise Zone Job Creation Grants for at least one year after the final year of their five-year grant period. One of the documents that DHCD requires that the qualified zone business maintain, but not submit, is the JCG/JCG-HUA Worksheet. **The JCG/JCG-HUA Worksheet must be used to complete the application. Business firms applying as HUA applicants must use the JCG-HUA Worksheet. All other business firms should use the standard JCG Worksheet. The digital version along with a hard copy print out must be kept on file with other grant request records. Job Creation Grants that do not have adequate documentation regarding permanent full-time positions, wage rates and the provision of health benefits may be subject to repayment.**

 **My business is not a retail business, but I have retail positions. Is my firm eligible for the Job Creation Grant?**

If your business firm is not a retail business, you can only include those positions that are not retail, food/beverage, or personal service positions for the purposes of qualifying for the Job Creation Grant.

Once the business firm collects the preliminary information listed on pages 10-11 and determines that the firm is eligible to apply for the Job Creation Grant, the business firm will then need to complete the JCG/JCG-HUA Worksheet. The JCG/JCG-HUA Worksheet is used to determine the number of grant-eligible positions. The amount of the grant is determined based on the wages each grant-eligible position earned during the [full months](#) they were employed in the grant year.

The JCG/JCG-HUA Worksheet documents information on the employees filing the permanent full-time positions and hourly wage rates of the employees hired in the grant year. Based on the work dates and applicable wage rates entered for the net new positions, the remainder of the qualification information is automatically calculated within the Worksheet.

The automatic calculation/pre-programmed functions of the Worksheet are denoted with the following icon:

The JCG/JCG-HUA Worksheets are available at <https://dmz1.dhcd.virginia.gov/EZApplication/>.

Page 1 of Worksheet:

- The business firm representative must provide his/her signature verifying the following:
 - No retail, food or beverage, or personal service positions are listed on the worksheet
 - All the employees listed are [permanent full-time positions](#) and not churned.
 - The employees listed for the base year and/or grant year meet the [report to work](#) requirement.

- **Determine the Grant Year**

This is the calendar year for which the firm is requesting the Job Creation Grant. The worksheet is pre-programmed with the 2012 calendar year as the grant year.

- **Determine the Base Year**

The base year is either of the two calendar years immediately preceding a business firm's first year of grant eligibility. Between these two years, more than four net new permanent full-time positions must have been created. The base year remains the same for each year of the five-year qualification period. Please see [Appendix A](#) for instructions on how to qualify for a subsequent five-year grant period.

First time applicants must enter in the selected base year in the Column F header (to replace the YYYY). For Grant Year 2012, first time applicants may choose from calendar year 2011 or 2010 as the base year. For applicants within their second-fifth year of qualification, the base year remains the same as the first qualification year and should also be entered in place of the YYYY in the Column F header.

Columns A-D: Employees Filling Permanent Full-Time Positions in the Base Year

1. Column C, "Employee Name": List all employees filling permanent full-time positions (EF-PFTPs) in the base year (in alphabetical order*)

*Applicants are unable to use the "sort" function in Excel to alphabetize the employees' names because the cells are locked.

- List all EF-PFTPs that worked for the firm in the base year.
- The Worksheet has a function that highlights cells in red when duplicate names and/or SSNs have been entered. If an employee has been intentionally entered twice due to the reasons described in the text box below, ignore the red cells.
- Include every EF-PFTP that worked for the firm in the base year in a permanent full-time capacity regardless of how long he or she was employed. This could be one day, one week, one month, or the full year. All EF-PFTPs that worked during the base year must be included on the list with the exception of unqualified positions.

4. Column E, “First work date in base year”: Enter first work date of EF-PFTP in base year.

- For employees who were only employed during the grant year, Columns E and F should be left blank.
- Example: John Dalton was hired in the grant year (2012). For this reason, Columns E and F are left blank for the row pertaining to his base year work dates.

5. Column F, “Last work date in base year”: Enter last work date of EF-PFTP in base year.

 The full months worked in the base year (Column I) for each employee filling a permanent full-time position will be automatically calculated.

6. Column J, “First work date in grant year 2012”: Enter the first work date of EF-PFTP in the grant year.

- For employees who were only employed in the base year and not during the grant year, Columns J and K should be left blank.
- Example: Francis Crick was only employed in the base year. For this reason, Columns J and K are left blank for the row pertaining to his work dates.

7. Column K, “Last work date in grant year 2012”: *Enter in the last work date of EF-PFTP.*

The full months worked in the grant year (Column M) for each employee filling a permanent full-time position will be automatically calculated.

Please note the following settings in the Worksheet:

- The cells and formulas within the Worksheet are **locked** meaning the applicant can only enter in information where requested; no formulas can be overridden.
- Some columns are **hidden** (in order for the auto-calculations to function) and are therefore not visible to the user.
- For any date entered in the grant year that is not in 2012, the cell will highlight in **red**—please correct the date to reflect the correct grant year.
- The Worksheet has a function that highlights cells in red when it finds duplicate names and/or SSNs. It will highlight names that have been listed more than once by accident **as well as those** that have been listed more than once for the reasons described on page 13.
- All **shaded** columns in the Worksheet automatically populate; the applicant only has to enter in values in the non-shaded columns.

- “Y” indicates the employee received or was offered [health benefits](#); “N” indicates the employee did not receive or was not offered health benefits.
- Column N should be left blank for any employees listed in only the base year or in both the base and grant year.

For any employees new to the grant year that did not receive or were not offered health benefits, the applicable wage column (O) is programmed to shade in black. DO NOT enter the wage rate for such employees. They are not grant eligible.

9. Column O, “Hourly wage rate for Employees listed ONLY in Grant Year” Enter in the hourly wage rate for the employees listed only in the grant year and who received or were offered [health benefits](#).

If an employee received raises (or a decrease in pay) during the grant year, they **MUST be listed on a separate line** in the JCG/JCG-HUA Worksheet for each wage fluctuation. **DO NOT** use their average wage rate **OR** their ending wage rate. Doing so **creates calculation errors that typically result in overpayment** to the grantee by the Commonwealth. The Department requires grantees to repay the funds to which they were not entitled. The CPA Agreed Upon Procedures were established to identify such errors and they should be carried out diligently.

If an employee’s grant year **wage rate is over \$14.50**, any subsequent raises would not need to be recorded on the spreadsheet because it will not impact the calculation of the grant amount.

For any employees listed only in the base year or in both the base year and grant year, the worksheet is programmed to shade the applicable wage cell in black. This indicates NOT to enter in a wage for such employees since they are not net new positions.

Only wages for the employees hired in the grant year and who received or were offered [health benefits](#) should be provided.

Based on the wages entered for the grant year employees filling permanent full-time positions, all the Columns P-R auto-populate such that the applicant does not have to distribute the total number of months for which employees met the 175% (or 150% in HUAs) or 200% of the federal minimum wage grant eligibility requirement.

Second Sheet within the JCG Worksheet: Values to be Entered in Form EZ-JCG

Once the applicant enters in the hourly wage rates, the remaining columns will auto-populate and the qualification information requested in the Form EZ-JCG is automatically calculated in the second sheet/tab within the JCG worksheet. The table in this second sheet lists the form references for which the values should be entered.

- Once the zone name is entered online (#11), the corresponding zone number field (#12) and zone designation date (#13) automatically populates.
- Zone names, zone numbers and designation dates are available at <https://dmz1.dhcd.virginia.gov/EZApplication/>.

14. Name of Local Zone Administrator: State the name of the Local Zone Administrator (LZA). LZA contact information is available at <https://dmz1.dhcd.virginia.gov/EZApplication/>.

15. Zone Verification: The signature of the Local Zone Administrator is required and the application must be signed and submitted by the April 1st deadline.

- The signature of the Local Zone Administrator verifies that the applicant is located within the Enterprise Zone stated on #11 and if marked as a HUA application is eligible to be processed as such.

PART II: QUALIFICATION INFORMATION

Values to complete #4 and #5 are highlighted within the text of the form's snapshot.

As required by the statute, a CPA, independent of the applicant and licensed by the State of Virginia, must perform the Agreed-Upon Procedures outlined by DHCD. The CPA will test certain documentation and calculations used to prepare the Job Creation Grant application and will report on these procedures and their findings in the Attestation Report. This report must be submitted on the DHCD Attestation Report Form, a copy of which can be found at <https://dmz1.dhcd.virginia.gov/EZApplication/>.

Contact your CPA to find out if they are able to fulfill the attestation requirements for the Job Creation Grant application. All CPAs should know if they are able to perform any agreed upon procedures. These procedures are available at <https://dmz1.dhcd.virginia.gov/EZApplication/>.

Can my CPA prepare the application and accompanying materials (worksheets) and attest?

Professional standards (AICPA) and those of the Government Accountability Office (GAO) provide that an auditor cannot audit his or her own work but recognize that an auditor can provide assistance provided the audit organization does not make management decisions or perform management functions. The decision to follow any advice provided remains with management of the audited entity.

Business firms with base year employment of 100 or fewer permanent full-time positions that create 25 or fewer grant eligible positions seeking to qualify for Job Creation Grants are not required to submit a CPA Attestation Report. **All other JCG and RPIG applications must be accompanied by a CPA Attestation Report.**
